### The Premises:

Wonderfully equipped basement flat, very close to Earls Court Tube. A huge amount of equipment is available in two rooms (one domestic/bedroom style and one large dungeon style) to satisfy whatever fetish one might have. Also has a very clean bathroom with shower. The maid is always really friendly and helpful and I was given a nice glass of wine on arrival.

### The Lady:

Amy is gorgeous .. I mean like really really pretty. She is really tall and slim with amazingly long toned legs and a perfect bottom. If you are a leg and foot man (like I am), you will just love Amy. And she has a smile that just melts you .. the kind of girl that you genuinely want to please. I have visited London Retreat going back many years and Amy is the best looking lady I have ever seen there.

### The Story:

This was the second time I have seen Amy this year and this session was just as amazing as the first. I tend to book longer sessions less frequently, rather than playing all the time, and Amy was fabulous for this – however, I reckon she would be equally as great for someone seeking a shorter encounter, just because she seems so intuitive; really gets the whole fetish scene; and seems to really enjoy what she does.

The session was based around a mixture of some strict femdom activities and some more sensual rewards. The rewards got more and more intimate – as did the intensity of the femdom play. My previous session with Amy had involved some pretty hardcore corporal punishment - if you ever want a good thrashing, then Amy can certainly deliver big time. This time, I could not have any heavy marking so restricted my CP play to over the knee spanking. We made part of this a bit of a game in that I agreed to finish each round of spanking with a timed non-stop spanking .. e.g. 30s, 45s, 1 minute etc where Amy spanked me with her hand non-stop really hard with no breaks. This was a great way to experience a pretty intense punishment, without any heavy marking – and since Amy is so fit and toned, she can spank very hard, even with just her hand over the knee!!

We also did several rounds of strap-on play .. and boy oh boy can this lady fuck. I am pretty

experienced with such things but it had been a while since I had done some really hard strap-on play and so Amy took things nice and slow to start. By the time we were onto the final couple of rounds, with her larger strap-ons, things were a different story .. she fucked me for a long time, really really hard (all at my own request of course). The great thing about Amy is that she seems to really understand what I wanted and mixes up the intensity at just the right time and at just the right level.

With the sensual rewards, we did all kinds of worship – from her pretty nylon covered feet, through leg and bottom worship; and onto lots of facesitting and pussy worship – all of which Amy genuinely seemed to enjoy, making sure to encourage me to please her, exactly as she wanted.

Since this was a long session, I was rewarded twice during the session, with my own explosive orgasms – once via Amy's hand and the other via her soft nylon feet!!!

I have been visiting London Retreat for a long time on and off and have seen many amazing ladies there (Victoria was always my favourite from the past). Amy tops all of them. She is just a total star.
