The Premises:

Tiny flat in Mayfair, but very pleasantly furnished with adequate facilities.

The Lady:

The website says she is stunning. She is. Medium height and very toned as her photos suggest. Fabulous figure and facially lovely. A few discrete tattoos.

The Story:

I was welcomed warmly but politely with a respectable peck on the cheek and shown into the bedroom, which given the size of the flat didn't take long. I discretely handed over the cash. I accepted the offer of a shower which was turned on for me whilst I undressed.

I lay down on the bed - face down as instructed and waited developments. Lorena undressed to bra and thong revealing her very lovely body. There was a bit of a pause whilst oil was warmed, smart phone programmed to play appropriate music and such, which seemed to take a while, but the massage soon started. She worked her way up and down, occasionally straying into sensitive areas. The bra came off - stunning breasts. Eventually turned over. G string removed. Everywhere now being teased, stroked, caressed, much in 69 position but without any oral contact.

Eventually slowly caressed to an oily intense finish.

A second shower followed with a brief chat about life in general and back out dead on one hour but without any rush.

Altogether a really enjoyable and satisfying experience with a stunningly beautiful, delightful lady. Oh, and a good massage.
