Details of Service Provider:

Profile Name: Exquisite Cristal

Website: <http://www.exquisite-cristal.co.uk>

The Premises:

Cristal is using excellent premises which are private and cannot be overlooked. They are very discrete and close to good public transport links. Cristal gave me great directions as I traveled to meet her.

The Lady:

Cristal is a lovely lady, with a fabulous body that you just want to hold and carress and kiss all over. Her breasts are stunning and respond well to attention. She was wearing a basque with stockings and suspenders. The photographs on her website, including the private galleries are accurate, except she is better in real life. Cristal has a bubbly and friendly personality and quickly puts you at ease if you are nervous, as I was the first time. An unsurpassable GFE.

The Story:

Cristal is a very sexy lady who really enjoys your company and what you do together. From the first, heavenly kiss, to parting kiss at the end, Cristal provided a fantastic GFE. That first kiss sent me into orbit and I could not refrain myself from caressing and kissing Cristal during our time together. Cristal let me explore my boundaries, within safe and practical limits. She enjoyed the whole experience and made sure that I did too. I was a tad nervous at the start, but need not have worried; Cristal gently led me through the date, teasing out my inner desires and then fulfilling them. I was not disappointed or frustrated after my visit, and for sure I want to visit again, and again.

Bathing and shower facilities are offered. I arrived a little early, but was welcomed, and Cristal is not a clock watcher for the finish.
