The Premises:

Discrete apartment with a shower available and a snug bedroom.

The Lady:

Trim, chatty and active lady whom I took an instant liking to. We settled any nerves with easy chat as we sorted out the shower settings and then arranging ourselves on the bed.

The Story:

I had taken a liking to Rachel's character as it came across in her profile and I was not disappointed with the reality.

We were quickly at ease with each other and settled into caressing and kissing before Rachel invited me to remove her last remaining clothing, her pants.

Enthusiastic oral without by Rachel was followed by me returning the favour and then we moved naturally into intercourse with both of clearly enjoying it so it went on for quite some time.

Compliments flowed both ways during and after the sex and as we sorted ourselves out and parted with thanks and kisses.

There can be something extra in private home meets that a parlour cannot really match.
