The Premises:

Formerly Brooklyn health studio. Small discrete car park by back entrance then up fire escape. Clean, towels and showers in every room BUT no privacy in main reception and waiting area

The Lady:

Young, good looking, petite, firm buttocks, olive complexion, small empty breasts.

The Story:

She gave me a very good OWO but otherwise was very passive. Refused to kiss and preferred doggy style - which was good. Initial massage was brief and confined to my upper back. She showed no signs of enjoying reverse oral although she had a good labia - I could not find her clitoris.

Possibly my preferences are different from others. I prefer a massage which includes neck and, especially, inside keg and buttocks (anus but only if lady is willing). I like the lady to be proactive and show some sign of engagement and enjoyment - on my previous visit to this parlour, Kayla actually had two real orgasms.

If you are content with doing all the work with a passive body, then Rose would be more than adequate.
