The Premises:

Great location close to the underground and place very tidy overall just a bit small but in perfect conditions.

The Lady:

Beautiful young and blonde girl with an average tits size and ass, a bit skinny but really great looks almost like the pictures a bit photoshopped but it was fine.

The Story:

Great experience with tiffany I went to her place and she was very well dressed and look absolutely amazing, she was very talkative and very caring asked me to come in and offered me a drink and really made me feel comfortable and relaxed, I was a bit stressed from work and she asked if I wanted a massage so I gladly accepted and while I was waiting for her she got changed and put on a really nice set of underwear, she looked really sexy on it and asked me to lay down on the bed for the massage, and it was really good she really has some skills with her hands, and she also has some really amazing riding skills and oral too, the experience she provided me was exceptional and honestly I couldnt have asked for a better time with a more talented and caring person.
