### The Story:

Been in Sabai a few times and normally seen Natalie but I was supposed to be seeing another girl at a nearby house but she wasn't answering her phone so called up Sabai knowing they closed at 8. She said If i could be there for 7:30 that was fine anyway it was 7:45 when I arrived

asked for a massage and was told £25 and so I asked how much the happy ending would cost and she said another 20. I only had £35 on me in total and so said that I would call back another day. Lilly said I could have a happy time with her for 20

In the room she suggested that I should just take my trousers off. I didn't want a load of spunk on my shirt and so I stripped off and laid on my back naked and she walked in.

She took some time to oil her hands up and then started stroking my cock and balls I reached under her skirt but she told me it was a "lady day",.

She climbed onto the bed and continued stroking me . I asked her what other services she did - she does oral, sex and a 2 girl massage and then sex - and that was an "all in" price of £100.

She didn't have any condoms being her lady day so oral was out but apparently that was another 10.

She came back to the side of me and I reached and stroked her bum and increased the pace on my cock,

Nice squeezing of the balls and told me to bend my knees and open my legs to give her better

access to my arse and then I started to cum and shot my load all over my belly and her hands. Unlike many girls when you come with a HJ they stop but she continued and its was nice to feel special for those few moments

Be back to see you for some sex but not on a lady day

She got some wipes and started to wipe me clean and I flinched as I was still sensitive so she said: "I am a woman, but I know you are sensitive" and laughed. She then left the room and I got dressed and left a happy chappy.

I'll be back to see Lilly for some more fun if I can work out when her lady day has finished!
