### The Premises:

### The Lady:

Hot russian blonde babe with perky tits and tight arse.

### The Story:

Lillia is fit as hell and I fancied the pants off her as soon as I saw her. I was over the moon to even get to bang a chick this fit but to be honest the punt was only average because lillia has quite a sour attitude and seems like she doesn't want to be there. Yeah, shes mega hot and has great tits, great arse and nice tight pussy, but what's the point if the girl isn't gonna act interested? I don't know maybe she was having a rough day. She chirped up a bit when I offered her a glass of champagne after the first bang and then during round two we had a bit more fun, she was more relaxed. I enjoyed doggy style with her cos her arse really is peachy and nice to grab! Wish I could've taken photos as I doubt I'll be seeing her again!
