The Lady:

Jaimee is exactly as her profile and her profile and photo's are extremely accurate. Jaimee is a beautiful Rumanian lady in her twenties.

She has wonderful sexy eyes and long hair and a slim body, with long legs and a beautiful pert behind.

The Story:

Jaimee came into the room dressed in a sexy red outfit, this was an immediate turn on for me. We had a chat which immediately put me at ease.

She then helped me to remove the rest of my clothes and sat me on the end of the bed. She then removed the top half of her red lingerie and turned her back on me and invited me to remove her bra. She then turned back round to reveal the most amazing pair of breasts with suckable erect nipples, which she invited me to tease with my tongue.

She then proceeded to strip naked, her body was to die for, lovely shaved pussy and a discreet small tattoo on the left hand side of her body just above the bikini line.

Jaimee then got me to lay on the bed and she proceeded to straddle my face teasing me with her pussy, whilst playing with my cock which by this time had become rock hard. She then proceeded to give me the most wonderful OWO, all the time making eye contact with me.

Then on with the condom and she sat on me and rode me, again alternating playing with my balls and coming in for a kiss. I then took her from behind before coming explosively.

Jaimee then gave me, what I would call a cooling down relaxing massage to finish off the session.

This is the first time I have left a review on Punternet, however I had the most wonderful time with Jaimee, so I thought why not write a review.

I would highly recommend her if ever you are in the Milton Keynes area.
