The Lady:

Lovely girl and amazing looking nipples. I was tied up so wasn't allowed to play too much and a lot was left to the imagination.

The Story:

Beautiful session. I had asked for Dom, Strap-on and tie and tease and she certainly delivered on the tease. At the beginning of the session she listened in detail to what I really wanted and put lots of effort in to make sure I was happy.

After 50 minutes we had finished everything I asked for, and Dolly wanted to go again. Dolly used all of the toys that I took to the session and more importantly used her imagination. I can't wait to see her soon. ,
