### The Premises:

The house was in a discreet location with good parking arrangements. The house was clean and tidy.

### The Lady:

Mel was not as she looks in her profile on her website. However she is a nice looking lady who clearly looks after herself.

### The Story:

The booking was for 1pm and I arrived early. Gave her a call and she said that it was ok to come in at 12 instead. She greeted me at the door with a warm welcome. As I was nervous and a little apprehensive she put me at ease. She is chatty but I think that was because I was on edge at first. The massage was not very good but I wasn't there for that. She tried her hardest to make me relax but I just couldn't manage it so we indulged in some mutual and I ended up finishing myself while she played with her toy. This was disappointing but it was not Mel's fault it was entirely me. She is a lovely person but I won't be going again because of MY problems not hers. If you go treat her well, because she deserves it.
