The Premises:

A very untidy upstairs flat between Woolwich and Plumstead.

The Lady:

Exactly as pictured on her Adultwork profile. A young and slim Romanian girl with full C cup breasts and a lovely little bum.

The Story:

The big plus of a young girl with a cracking little body was negated by her very brusque attitude. She let me caress and fondle her breasts and bum but I wasn't allowed to suck her pale pink nipples. There was very little foreplay and what she did do was very harsh. Oral was with a condom and I was barely semi erect. Sex was only possible in missionary position and I was by then not at all ready. I decided to cut my losses and have a handjob purely to play with her breasts.

There were signs of other girls working at the same address.
