### The Premises:

to be honest the place was a bit musty, smelled of sex which i guess is understandable, maybe it had been used minutes before!

### The Lady:

beautiful girl great body and pretty welcoming

### The Story:

she was good at everything. gave a more than passable blow job fucked well and kissed very well.

as a very seasoned user of escorts over many years i just didnt get the x factor, i dont think many would realise but i just got the feeling she wasnt all there with me. dont get me wrong i had a great time and she was sexy as hell and fucked well. She was great but not one of the best thats all.

at the price she was cheap so i would definitely recommend her
