The Premises:

Flat is easy to find. Council building close to Edgware road station. Directions provided were accurate. The flat was very dark. Her bedroom looked like any young woman's bedroom.

The Lady:

Sarah is a very petite thai with large enhanced breasts. They look and feel really nice. She's in her late 20s / early 30s.

The Story:

She greeted me dressed in the outfit I requested (pvc dress and high heels). She undressed as soon as we got to the bedroom. Didn't talk much, her english is hard to understand, she probably said 3 or 4 sentences overall.

Started with a bj (I was standing) and some light kissing for 15-20mn then moved to the bed. We did it in several positions (doggie, mish, cowgril, etc..). She wasn't really into it, wasn't saying anything and kept looking at the watch the whole time.

I know she accepts A-level at her discretion, so I asked politely if it was possible and she just said "No !". That was it for me, I asked if she could wear the outfit and finish off with a bj.

I took a shower and left.

I chose her because she had great reviews, but I was probably the unlucky guy who caught her on a bad day.
