The Story:

This was my 2nd visit to Angel after 4 months away from my last sex experience with anyone. Always nice to be remembered by the lady who meets many faces day to day.

Angel was very friendly & allowed me to enjoy myself with her boobs with sex 2 times in the visit. Good English & slim figure which I like as I wrapped my arms around her.

Action performed

Missionary

lots of owo with a lot of saliva

Boob kissing & sucking with erect nipples making an appearance

69 which was enjoying the view rather than RO with Angel giving owo

To help get the 2nd sex cowgirl & get hard, Angel rubbing the penis as we kissed & starting to get into the mood

The 2nd sex was longer but I would of preferred a harder erection similar to the one at the start but it pushed in & made the best of whatever we got

5 mins left & enjoyed the boobs, till I greet them again in afew months.

Thx
