The Premises:

The Website for this establishment displays a few glamour images of slim models in the background. Forget these; the ladies who work here are not quite in the same category, but the photos of the staff are accurate. Most are fairly busty, although they do occasionally hire new models. Some have worked here for years.

The venue is down some steps to the basement of a block of flats. There are several rooms of varying sizes and a bathroom. There is no line-up: you must choose in advance from the photos or a description over the phone. Hours vary and the place is usually closed evenings and weekends.

The Lady:

I would say Cathy is aged 60 or over. She is a lady of vast experience and is friendly and obliging. Not all services are covered.

The Story:

Cathy is in high demand here as she will do some things the other girls won't. I have been with her several times and she is pleasant to chat to. Her age is a bit of a disadvantage, but she has many regulars.

I asked for a massage and then when ready had her up against the wall. She responded well, in the manner of a randy aunt. Probably not to everyone's taste, but one of the better in my view, as she is not as beefy as some of her co-workers.
