The Premises:

In a secluded posh area in chelsea. Getting in was easy and inconspicuous. Her flat is tidy, clean and big. She had scented candles which smelled of lavender or something, quite nice.

The Lady:

Slim busty blonde chick, fake tits, very glamour modelly. Big lips bleached blonde hair. Quite fit.

The Story:

Evanna is fit and has a nice place, her prices are also quite reasonable considering she's one of the fitter ones on here. I can only give her an average review though as the whole thing seemed rushed from the moment I got to hers and she hurried me in, to the end when she quickly ushered me out without even giving me a kiss goodbye. Still had fun banging her tho. She greeted me with a kiss when i entered, no tongues though - she said she charges more for that so i declined. She was wearing a sexy purple lace bra and pants set which pushed her big perky tits right up. I couldnt wait to get my hands on her. After a quick shower she laid me down on her bed and gave me sexy naked massage, rubbing her tits up and down my back. I could feel her hard nipples and when she turned me over i started licking and sucking them, mmm. She proceeded to give me an amazing OWO before jumping on top of my cock and riding me hard and fast until I came. We relaxed for a bit having a chat with a glass of wine, before she told me to get dressed as she had 'things to do'. I'm sure I had an extra 15 mins or so left but was pretty worn out so didn't argue with her about it. Her prices are decent anyway so it didnt bother me TOO much. All in all a decent punt but seemed very quick and hurried.
