The Premises:

A very clean, modern flat very near Whitechapel tube station.

The Lady:

A classy Romanian girl with a lovely body, particularly her breasts. She was very friendly throughout my stay and her English was excellent.

The Story:

I had a really good time. The AW pictures were spot on. The side boob picture was the inspiration I needed to pay her a visit. I think Mia may have suffered a few time wasters because she asked a couple of times for me to ring and confirm the appointment. I prefer that having been let down a few times myself.

The session was good and not rushed. I couldn't get enough of her lovely breasts. They were full, firm, shapely and best of all, natural. She gave me covered oral which was really arousing. This was followed by sex in doggy position. I asked in advance whether I could finish by coming over her breasts and it was a glorious climax!
