The Lady:

Viva's photos on the HoD site caught my eye back in the day when they were unblurred. In the flesh she is very much as I expected her to be - 20 something, very attractive, tall, lithe physique, light brown hair, small-medium sized breasts.

Her profile says she's Lativan which is conceivable but in appearance she could easily be from anywhere in northern Europe given the Norse characteristics in her features.

She was, at the time of my visit, fully shaved and very clean all over.

The Story:

Put simply, simply superb.

Superb company. Superb dfk. Superb owo. Superb gfe. Superb way that she'd kissed my upper body all over. Superb missionary sex (covered) while dfk'ing. Superb climax which seemed to go on for ever.

I booked her not knowing what to expect but I'm pleased to say that my expectations were exceeded by a long long way.
