### The Premises:

Easy to find, easy to park, friendly receptionist who was very particular that punters didn't bump into each other. Very clean parlour.

### The Lady:

What a gorgeous and very skilful lady, definitely as shown on the website although you cannot get a sense of how friendly and sexy Pixie is until you experience her wonderful hands and body.

### The Story:

It's a no penetrative sex place but who needs that when Pixie does what she does so well. I enjoyed the experience immensely and had an enormous smile on my face for hours afterwards. The sensations Pixie created and put me through were amazing as was the explosive ending. Nice erotic massage building slowly, including body to body as Pixie also got naked which led to a very satisfying conclusion. This followed by a shower in a very clean bathroom and a gorgeous smile from the lovely Pixie. Thanks again, it was my first visit but it will definitely not be my last.
