The Premises:

A ground floor flat about a 10 minute walk from East Croydon Station. It was very clean inside and cool.

The Lady:

Nothing like the girl profiled. The girl I saw was maybe dress size 14/16 with large breasts but not as attractive.

The Story:

This was a damage limitation punt. I hate Croydon and I don't think I've ever had a decent punt there. I was a bit optimistic thinking it would be the girl pictured, but this was a complete bait and switch. She was friendly but I opted for a simple hand job and focused my attention on her big, heavy tits. She wouldn't even let me come over them which might have helped soften the blow. On another day I may well have walked.
