The Lady:

Beautiful Russian girl, she truly looks like a model, however, her photos were a little bit photoshopped but she is young about 20's and has got a pretty amazing body with some really nice curves.

The Story:

I had a Great experience to be honest, she came to my house at around 19:00 looking absolutely stunning she was very well dressed and looked really sexy in a long dress, she then came inside and she was very polite at all times and really talkative and nice, I offered her a drink and we had a little talk with each other to get to know each other a bit more, she's got a very good personality and is quite a smart girl really knows how to talk well and would even be a girl that I would take to dinner sometime, well after all the talk and everything we went straight into action and it was very good she's got an ass that left me speechless and she really knows how to do wonders with her mouth and when on top I wasn't hoping that she would be so skillful despite her age and I guess I was wrong, overall great experience I just found that the pictures were a bit photoshopped but I would surely hire her services again.
