The Premises:

The place is very easy to find. Only a two minute walk from West Kensington tube station. The street itself is very quiet and no-one really notices you enter the premises. Inside it's very plush. I had a lovely shower before meeting Viva.

The Lady:

Viva is a tall Lithuanian brunette who ticks all the boxes for me. Gorgeous looks, very friendly personality, slim and with a perfect body. No tattoos or piercings. Her face is blurred on the House of Divine website but I had seen her before twice at another location and knew exactly what to expect.

The Story:

Viva entered the room and after the money was sorted out, we had a kiss and then I asked her if she would give me a blow job while on her knees. I could see in the mirror her head bobbing back and forwards and that was a great turn on. Within a minute or two, my cock was getting harder and we moved onto the bed. Her OWO technique is something special and she really seems to enjoy it. Lots of nice little kisses on my cock, which I really enjoy. Her bra came off and those nipples are a sight to behold. Just beautiful. She has perfect sized breasts. Totally natural, lovely smallish ones. We then had a 69, which was lovely, and then it was on with the condom for sex. This was amazing for me and Viva seemed to enjoy it, too. She is very enthusiastic and after a few minutes in the missionary position where we had nice slow sex, she went on top at my request and it got a bit more faster. As usual, time was running out much faster than I would have liked and I asked Viva if she would finish me off with more OWO. Eventually I came on her breasts just before my half hour was up.

I would recommend Viva to anyone who likes beautiful, tall East European women. She is very willing to please, great fun to talk to, lots of kissing throughout, gives a superb blow job and is great sex. What more could anyone want?

On the way out I saw her friend Chelsea and she was gorgeous! A threesome with her and Viva would be a dream!
