### The Story:

I met Mara at my favourite French restaurant in town for a 3 hour GFE, she was dressed to the nines, looked and smelt amazing. I could tell every man in the room wanted to be where I was and were wishing she was going home with them! We had a fantastic date and drank a lot of wine. Afterwards went back to mine and continued to drink more wine, we both got a little tipsy. She was telling me how attractive she finds me for an older gentleman and that she'd had the best evening. We went to the bedroom and she gave me the sexiest strip tease, taking off all her clothes slowly and seductively. She climbed on top of me and kissed/licked up and down my chest towards my cock, putting it all in her mouth and deep throating perfectly. I came quickly and she swallowed without hesitation. We chatted more and with only about 20 mins left, she insisted we fuck, which many of these girls would drag out and waste time to avoid. That showed me she was really into it. 20 mins was enough to get her in several positions and finish with her on top, looking at those beautiful perky tits. Until next time, angel.
