### The Premises:

Tia's place is nice enough. Nothing to write home about, but it's clean, comfortable and tidy. Nice and easy to find and not far from the tube station.

### The Lady:

Tia looks just like her pictures. There is the obligatory "improving" on her pictures, but she really does look like that, which isn't something I can say about all the girls I've seen! Her figure really is that slim and toned too. She told me she was 26, so her age seems to be pretty accurate on the site too. If she is any older than this, she's certainly wearing well, because she looks like she's only about 20 years old!

### The Story:

The experience was one of the better ones I've had with Babylon. Not the best, but definitely one of the better ones. She's very receptive to touch etc. and very sensual. She was wearing an off the shoulder black cocktails dress, with tiny panties underneath and a pair of hold up stockings. Sensational! She stood in front of the mirror and teased against me whilst getting naked, it was a real site to behold!

I went down on her and she loved it. Really loved it! Her OWO is nice, but it's not the best, but I wasn't complaining because once we started to have sex this began to feel more like a girlfriend that hadn't seen me in a while. She was very passionate and really ready for it. Perhaps I was one of her first clients for the day, I don't know! LOL! Enjoyed sex in various positions, but doggy was by far the best and this is where I finished!

Would recommend!
