The Premises:

Been here before as Wonderlounge. Side street in safe area close to town centre. parking in street. Revamped, clean and welcoming with pleasant receptionist. I'd looked at the website before travelling, showing four girls available. When I got there three girls were on offer, only two had been on the website, but one was busy so met two and chose Amelia. Rooms clean and comfortable, showers also. No videos in my room to keep me occupied whilst waiting, but a nice ceiling mirror!

The Lady:

Amelia wasn't on the website rota when I checked, so hadn't seen her in advance. No matter as she was delightful. About 5' 5", slim, black hair, nice smile and eyes and chatty. Wearing a brief black bikini with sequins, she led me to the room and I was impressed by her nice small round arse bouncing inside her brief bikini bottoms as i followed her. Looking at her profile after my visit she matches her website photos. When naked she was lovely, firm and smooth, and with fabulous small tits and erect nipples. Great arse when offering it to me to fuck from behind!

The Story:

After a shower and a wait of five minutes, Amelia came back to the room and stripped off straight away, asking what I wanted to do. Explaining her pricing structure and what was on offer I asked for a short massage, oral both ways, and a fuck. Amelia got down to it straight away and we chatted whilst she ran her hands over my back. I quickly turned over so that I could admire her body and play with her lovely tits, and see us both in the ceiling mirror, and Amelia soon started sucking my cock with obvious experience.

We swapped positions so that I could give Amelia's cunt-lips a lick and suck, and move up to play with and suck her tits. Then she rode me followed by me fucking Amelia from behind. Watching all this in the ceiling mirror soon had me coming. Another shower whilst Amelia lay back resting and showing off her lovely body then off into the sunshine with a big smile on my face.
