### The Premises:

Apartment near shopping centre, plenty of parking although the car parks were busy on this day. I would allow yourself some time to get parked up. I have been to this building before but I'm sure it was a different apartment. Room was small but clean & tidy & tastefully decorated with an ensuite to freshen up.

### The Lady:

Difficult to put an age on Angel but I would say 25-28. I read another review which wasn't complimentary about her well all I can say is that is just pure fabrication. Angel is around 5' 9" I would say dress size 8 she is fit & the kind of girl you'd look twice at in a club or on the beach. Incredible body, very sexy & fuckable with a nice attitude.

### The Story:

I opted for a tie & tease session with dom as I saw she offered that on her profile. Well let's just say she had me tied to the bed & proceeded to tease me with her mouth boobs & pussy for the first half hour of the session. She also used a toy & her fingers expertly to get me aroused. Finally I was allowed to fuck her but still tethered to the bed Angel really worked me until I could hold back no longer & I released into her pussy.

Quick clean up & I was untied & allowed to touch & kiss Angel, round 2 was a mixture of owo, sex finally Angel finishing me off with a wank across her tits.

She certainly drained me & just thinking about the time I had gives me a hard on.

I would say this is the best visit I've had to date & i've tried out some of the other well known girls.

Certainly going to rebook this beauty & see what she comes up with.
