The Story:

What can I say but fabulous. She is better in person than the great pictures on the web! Svetlana is very accommodating to all wishes. We spend a great 3 hours working through her impressive list of services from A to W! Dressed as a naughty school girl we did a load doggy fashioned and then she licked the condom clean. A bit of forced deep throat was rewarded with some gagging and lots of spit. Then a second load to the face with an open mouth. Cock carefully cleaned before my time to go. Fantastic.
