The Premises:

Decent flat in city centre. Multistory parking nearby. Room seemed clean and had en-suite. No towels so couldn't use the shower.

The Lady:

Taller and older than described. About 5'8" tall and slim but not size a size 6 (more like 8-10). Her age is a tough one. Older than 19 (stated on profile) seems 25 to 30 years old (judging from sag of breasts). Seems to be the girl in pics but her face is not visible.

The Story:

Pretty cold experience. Not able (or willing) to communicate in English beyond the basics. She lacks the basic social skills required for someone who does this job. Didn't make any effort to ensure either of us had a good time. Was texting away on her phone and using the toilet for the first 10 mins. Some light kissing was followed by oral (covered). Didn't stick around for the whole hour. Overall: awkward and unenthusiastic
