The Premises:

A clean & modern flat with a discreet buzzer entry. It is located about a 5 minute walk from Shoreditch High Street station.

The Lady:

A slim and petite, Romanian girl maybe late 20s early 30s. She had a cracking little body with full natural 34D breasts.

The Story:

Unfortunately, the session was very hurried and business like. I wasn't allowed to suck her nipples which was a great shame. I was given very brief covered oral and only got hard thanks to fondling her breasts. We then had sex in doggy position and because I felt hurried I struggled to come. I had to opt for a hand job. I asked for the condom to be removed, but that was denied too. I got dressed and Alexya stayed naked. Maybe it was because I only booked 30 minutes that the session was rushed. Seeing her lovely little naked body as we walked to the door made me feel even more disappointed.
