The Lady:

Ruby is a good looking lady, 30 something with lovely pale skin, nice boobs and a slender and lithe body. Her skin is very pale which I loved and she has a bum which is peachy and so smackable. She is ultra clean and her pussy is like a little pink fairy cake which was very sweet and tight.

The Story:

I love punting especially the few seconds when I hear the lady in killer heels approaching the room. Ruby did not disappoint when she walked in. Lacy bra and panties with mini-basque and stockings. Her kisses are real as well as deep and her tongue stud is sexy too. We helped each other out of our clothing and she knelt on the bed with her gorgeous ass in the air. I had to lick her pussy and arse all over; would have been a crime not to. I spent more time licking Ruby's pussy as she is so sexy and receptive. She duly repaid the gesture by giving me expert OWO with loads of ball sucking and eye contact. Time was moving on so on with the cover and she went on top both front and reverse which were heavenly. We then spooned with her caressing her clit and my cock at the same time. Finished in her mouth with lovely saliva and tongue BJ. Great punt; in the words of the Terminator... "I'll be back...."
