The Lady:

Anka was around 5'7 tall and about a size 8ish. Slim girl with a beautiful figure, dark hair and eyes. She has beautiful long her and is very attractive. Age wise she is around her early to mid twenties. She matched her pictures and my expectations were met when I saw her.

The Story:

Anka put me at ease as soon as she walked through the door. I was taken back by how stunning she was as I wasn't sure what to expect at first. She was very loving and easy to talk to. She was very attentive and sensual. The girl knew what she was doing and I had a enjoyable time. Anka is very passionate and I had the most intense orgasms I have ever had in my life. The experience was truly unforgettable. I enjoyed her so much that I extended the hour to two and half hours so that I could enjoy her for longer. I would definitely recommend her and I'm very much looking forward to our next meeting soon.
