### The Premises:

Blueprint for how such an establishment should be from cleanliness and comfort to accessibility and warmth of welcome with the elegant and gorgeous Millie at front of house. PS Had a crush on Millie for ages.

### The Lady:

Pictures on website are accurate as far as they go but do not show what a genuine warmth Rachael has, how friendly she is, how pretty she is facially, what an amazing pair of breasts she has with quite the most suckable walnut size nipples I have ever seen, the most perfect bum which I just couldn't keep my hands off. Everything else I'm proportion and a beautifully formed pussy.

### The Story:

Have seen Rachael many times and no two visits have been exactly the same but all have been memorable and this was no different. Kiss and hug when I got out of the shower and Rachael was out of her uniform and bent over in front of me with that fantastic bum in the air, what a sight. Good firm massage to my back, legs and neck but with ample attention to my bum, cock and balls. Rachael stood at the top of the couch with that delightfully pussy just inches from me and leant over to rub those magnificent breasts into my back and reached under to tug my cock at the same time. Rachael then oiled us both up and slid her breasts and front all over me rubbing those rock hard nipples all over me. Turned over so that I could see Rachael in action and took every opportunity to squeeze and stroke her breasts, legs and that perfect derriere. Rachael climbed on top so that I could suck on those fine breasts and get her nipples even harder. Copious amounts of oil were drizzled slowly over my cock as Rachael maintained eye contact and gradually worked me up to the point of no return and the happiest of happy endings. An outstanding hour with a very special lady.
