Both busty

The Story:

Called earlier to be told, as pper website, that both ladies were working and the last service was 7.30pm as it closes at 8pm.

I turned up at 7pm and both ladies had already and the receptionist was locking up.

This was my final go with this parlour - the week before I'd turned up at the same time and the woman I wanted to see had already left. It seems like it's a regular occurrence.

Untrustworthy and not worth the effort, pretty much like the rest of Nottingham, which is a punting desert.

(Amount paid is my return fare to the place from my hotel - money wasted)
