### The Premises:

### The Lady:

Blonde, big tits, russian, curvy, sexy.

### The Story:

Chloe is your typical russian blonde bombshell. She's curvy in all the right places without being overweight, and has these insane big tits which are real but don't sag! Put it this way, I was VERY attracted to her. She showed up at mine on time and eager, greeting me with a proper FK and getting in the shower with me when I offered! She gave me a proper nice long back massage while we were in there and let me lather those massive tits of hers in soapy water, sexy! I've not felt natural tits that good in a long while.

After getting cleaned and drying off we had a chat on the couch with some wine. She kept edging towards me and leaning in for more FK so i got hard pretty easily. Her blow job was in insane and she even put my dick between those massive jugs and gave me a sloppy tit wank, spitting on my cock as she done it. I couldve cum on them but I refrained and saved myself for when she was bouncing on my dick on the couch shortly after. A great session - the only mistake I made was not booking her for longer. I'll learn my lesson next time.
