Quiet, discreet, free parking. Doorbell answered immediately by the lovely maid who I'm guessing from other reviewers is Millie. Impeccably clean & relaxing environment with decent showers now.

Stunning, leggy, tall blonde Lithuanian beauty. Great body, great personality & lovely smile.

The Story:

Was welcomed in at 10:30 on the dot & asked by the maid for my details & if I would like a drink, opted for a glass of water & was shown to the room. Nice, decent sized room with added mirrors since the last time I visited. Jayda arrived with a smile, a kiss on the cheek & my glass of water. Had a quick introduction & chat whilst we both undressed. She had some nice black lingerie on which was soon on the floor & her flawless figure soon had my little man standing to attention & I struggled to lie face down on the table. Massage began on my back, was nice & relaxing, kept glancing into the mirror to get a good look at the beauty putting her hands to work. Then the real fun started on my legs, normal massage techniques soon turned into the greatest sensual feeling I have ever experienced as Jayda used her nails to tease me to great excitement, caressing them up to my bum & then teasing my scrotum more each time she went up & down. She then jumped on the table to massage her whole body over me & could feel her tits & nicely shaved pussy rubbing all over my back, felt great. Was then asked to turn over & she went to work on my little man, who was getting bigger & bigger, couldn't resist putting my hands all over her superb body & caressing her ass & tits & pulling her closer for that more intimate feeling. Loved massaging her boobs & getting to suck on those perfect bullet nipples, had a bit of a tit wank & then with time running down it didn't take long after she took my cock in hand for me to explode everywhere. Quick clean-up, followed by a shower & then as we both got dressed had a good chat about movies, what I liked & what she liked & recommended a good horror movie to her that I saw recently (The Strangers: Prey at Night) as she said she was into her horror. a kiss on the cheek, then she showed me downstairs & a final kiss on the cheek goodbye as she wished me a great day, which I certainly had thinking about this amazing encounter. Thank you Jayda.
