The Premises:

Ella is based near South Kensington. Her place has shower facilities but the room is basic though functional. Shower was ok and she offered me before and after the punt.

The Lady:

Ella is pretty though I would say not a stunner. She said she is from Italy but of Eastern European origin. Her photos are airbrushed but nonetheless pretty but that's what you would expect of a girl listed on agency.

The Story:

Kissing was light, if DFK is a must then she is not for you. This is ok for me as I'm not into DFK.

OWO was great, she made me cum after 15 minutes, no CIM for me unfortunately it would have made this review positive if she did.

Sex was decent, she seemed to like a good pounding and she was very vocal when we were doing doggy. Round 2 finished with about 15 minutes left and she started to prepare for the next client. Although I could not go again for round 3 it would have been better if she didn't try to get ready 15 minutes before times up as 15 minutes is still a lot of money in my opinion.

Overall, this was neutral for me.
