The Premises:

Aqurilla's place is 5 to 10 minutes walk away from Paddington station. I'm not sure parking situation but when I was there the street was already full so not sure if parking is easy if you're planning on driving.

The flat is nice and I was led to a nice room. I think she works alone as I could not hear / see anyone else.

Shower was offered but I declined as I came from home having already freshened up.

The Lady:

Pictures are airbrushed, I would say she's size 10 and to be honest I didn't find her as attractive as I was hoping for. If you are into skinny girls I don't think Aqurilla will be for you. That said, she is pretty enough and I decided to stay for an hour.

The Story:

Service was standard, sex was good and we tried various positions. OWO was decent but nothing to write home about. I didn't try kissing because of smoker's breath. I left 10 minutes early as I couldn't get myself up for round 2 and she wasn't exactly enthusiastic either after round 1.
