### The Premises:

Quiet safe place, with parking, just on the edge of the town centre. Inside is very clean and homely, also well decorated. and very comfortable.

### The Lady:

Helen is an absolutely stunning lady, with the most fantastic figure. that many a twenty year old woman would wish for, beautifully proportioned in every way, with the prettiest of faces, and a great personality.

### The Story:

As Helen opened the door, I was greeted with a massive smile, and a sight which had me drooling at the mouth, as soon as she had shut the door, she wrapped her arms around me and we kissed passionately, from that moment on, the experience just got sexier and more horny. This lady knows exactly what men like, and if you are after the 'True girlfriend experience' this has got to be the best. What happened in the bedroom is between myself and Helen, but it is an experience that I hope happens many more times in the future. It was certainly worth the wait, and I wont be looking anywhere else, she has put a smile on my face that I cant wipe off.
