The Lady:

Agata is a stunning young blonde with a model like figure at around her 20's, she looks pretty similar to the photos even although they seem a little bit photoshopped, she's also got amazing deep blue eyes and a very kind and gentle personality, I think she is from Russian she doesn't have much of an accent

The Story:

Agata met me around 17:30 at my place she looked absolutely stunning she had a very beautiful long dress on that really gave some volume to her curves, so she came in and we had a little bit of chat in order to loosen up a little, however, she looked so amazing I was tempted to jump straight into action and it didn't last long before I did, so we started kissing and cuddling and soon I took that dress off and she was wearing a tempting and sexy pair of red underwear underneath, I was so hard when I saw how gorgeous she looked that she immediately noticed and started to stroke me she then asked very kindly but with a damn naughty face if she could suck me off, and I accepted of course seem how those big lips would evolve around my cock, and it was like I was in paradise while she was doing the oral, and the sex was not far behind too it was pretty amazing the skills that naughty angel has. overall my experience with her was excellent as I said before her pictures were a little photoshopped but she still looked amazing in person.
