The Premises:

A good standard

The Lady:

Stunningly beautiful facially, particularly her eyes. Slender and petite.

The Story:

Several visits with Amira.

She really is an extremely attractive woman. She has boundaries which need to be respected but if you observe these and possess a small degree of patience, then you will be rewarded with sublime sessions of sensual and seemingly authentic gfe.

Actually quite dangerous for an old git like me, mental discipline required.

Highly recommended.
