The Premises:

Clean little bungalow type thing. . . It's pretty close to Stechford rail station and there is decent parking near by with a few bus routes running close for those using public transport bungalow was very clean

The Lady:

Pretty blue eyed blonde with a nice figure and a wicked smile she white lady about 5,8 she match her photos

The Story:

All arranged by AW and texts. .

The meet:

Text to say I'd be a little early as traffic was clearer than I thought was advised no problem and to ring when I was closer. Called when I arrived and was guided to location.

Amber was dressed in school uniform when she answered the door and looked great. Paperwork sorted I was offered a drink and a shower had a drink and declined the shower as came straight from home.

Started with lots of deep french kissing and hands all over each other in the living room. Moved to the bedroom where we both stripped off and continued with the kissing.

Moved on to OWO and reverse oral. She's very clean and tasted fresh she appeared very receptive to oral .

Moved in to 69 before sex in cowgirl to finish.

Nice chat whilst getting dressed and a hug and kiss before I left

The verdict:

Great time with a hot girl
