OK little basement

The Lady:

pretty and slim. fake boobs

The Story:

dreadful
what a dissapointment - she went for oral within 30 seconds and somehow managed to get a condom on first. After a couple of minutes she went astride and slipped me in and bounced up and down on me until I came. five minutes in and that was it. made it clear seconds were not on the menu, neither were her breasts or pussy. she nearly went to sleep - yawning.
avoid
no fun at all.
