English blonde - attractive, with a perfect body.

The Story:

Jenna soon came into the room. I said hello, then mentioned that she is a squirter - the main reason I chose to see her.

However, she said that there was not really time to squirt as it was only a half hour appointment.

Then she suggested a massage or lap dance. I chose the lap dance as I knew I would really enjoy that. She asked me to sit on a chair with my legs open (undressed), so that she could get close to me. Starting in her underwear, she soon removed her bra and then her knickers to reveal a perfect body. I told her that she had a lovely sexy body and licked her boobs.

Then on to the bed. I had some short kisses on the lips - I don't think she wanted any more than that. I played with her body with my hands, then she played with me with her hand. I asked to lick her pussy and she laid on the bed. This lasted for several minutes : I hope she enjoyed it, not sure how much really. Then she used her hand on me again - I was not fully aroused, so continued with this until she made me cum.

Thank you Jenna.
