The Lady:

Electra caught my eye on previous visits but has always been busy. Nice all over tan, long blonde hair. Lovely size 10 with curves in the right places, probably in her early 30s? Very pretty face, smoking hot eyes and lips

The Story:

Went into room and she very quickly had her tongue exploring my mouth, hands all over each other, she rubbed my bulge while I rubbed her clit thru her panties. Nice, intense DFK with her spitting into my mouth, slurping up spit off my tongue and slobbering it back into my mouth. Then she dribbled it onto my chest and licked and nibbled my nipples. I return the service to her lovely boobs as her clothes hit the floor. She gives a great sloppy BJ, lots of dirty talk, spit and eye contact. I ask if she has a small toy to stick in my ass while she blows me-- NO PROBLEM!! Then my turn to taste her. Get Electra in doggy position and explore her pussy and arsehole with my tongue. She loves sucking on my finger that's been deep in her cunny hole. Then she grabs her butt cheeks and encourages me to get my tongue as deep as poss into her anus-- LOVELY! Her arsehole gapes open as I tongue fuck it for all I am worth. Also get tongue deep in her sweet cunt hole, she tastes good, wet pussy juices all over my chin. We kiss again and she licks her juices off my face. Will save watersports for next time, it wouldn't happen today- cant wait to return and taste her piss though. She finishes me off with BJ and is happy to take my load in her mouth. Will see her again
