The Premises:

ok, door might be closed, which adds a bit of inconvenience

The Lady:

slimmish with bigger boobs, not so pretty, but ok

The Story:

Reasonable effort.

OWO is always a positive and nicely done.

Just that when it came to the main event she was trying to keep me out by closing legs, etc.

Asked if she was OK, or if it had been a busy day or many customers due that night, but muted answer.

Was delayed by half an hour, minor thing.

boobs are probably larger.
