The Story:

I had a wonderful time with Harriet. I saw on her agency profile that she offers foot fetish services so thought I'd give it a go as it's new to me but I do find petite young women's feet quite sexy. Harriet let me kiss, lick and play with her feet and toes before proceeding to give me a FOOT WANK which is something I'm not used to but very much enjoyed! She didn't make me cum from that alone but her excellent OWO after made me blow my load in her mouth. Wow, impressed. Would see her again.
