Usual place in funny stratford, clean with good parking and discreet entrance.

The Lady:

Both girls are what I like, blonde with big breasts. Both about 5'6"ish. Courtney is more curvy than Leah but I love both of them. Both shaved down below. Courtney has a nipple piercing.

The Story:

Decided to have a 2 girl for the first time in my life. Definitely a great decision. Was greeted warmly by both, I know Leah well but it was the first time I met Courtney. Straight into a three way cuddle with deep french kissing from both. Then Courtney proceeded to suck my cock while Leah kissed me, then they swapped places. After a few minutes of this I had them lie down to go down on them, I alternated licking one and playing with the other, I managed to make Leah cum but didn't quite manage it with Courtney. Then it was on with a condom and into mish with Courtney while Leah played with my balls, this had me explode in the condom. A little rest then round 2 started with a hand job from Courtney and ended with me fucking Leah in 3 different positions while sucking Courtney's tits. All in all one of the best experiences of my life.
