### The Premises:

She can to my hotel. She was very discreet.

### The Lady:

A total babe. A 7/10 when she came to my room, but transformed into a 10 when she undressed. She has a hot body, amazing smooth skin and boobs to die for. She is sooo nice to look at.

### The Story:

This was better than sex believe it or not! I lay on my front naked and she applied the warm oil and started a really nice massage, her touch made me hard right away. After 15 mins she had me turn over to reveal the biggest hardest dick I've had in many years. She spent the next 45 mins edging me to a massive orgasm, I came so much and so hard that I got some cum over my shoulder. Nobody has made me this horny. I really wanted to fuck her, but that's not on offer being a tantric massage. I will return every time I'm in Manchester!
