The Premises:

Beatrice is based near West Kensington's station just off the main road. I arrived by tube so can't comment on parking facilities. Shower facility was good and the receptionist was friendly and offered me a drink.

The Lady:

Pictures are photoshopped, nonetheless Beatrice is a pretty lady. I would say she is size 10, I personally prefer to go for size 6 or 8. She looks in her early thirties, long jet black hair with a few tattoos.

The Story:

Sex was great and we tried all the classic positions. BJ wasn't as good but functional which was disappointing as that was what I was looking forward to most. I wanted CIM and although she didn't object she was just wanking me off at the end so hardly any cum got into her mouth. She slightly rushed me to leave at the end, not a big issue to me as it was only a few minutes left and I wasn't planning to but just a bit annoying that so many do this rushing punters out 5 or 10 minutes early. I think I'd have had a better experience had it been a half hour punt.
